PRINCIPAL'S MESSAGE

As the Seniors of 1968 graduate from the Esdridge High School I would like to challenge each of them--

1. To always work for the highest in character and reputation.

2. To shoulder responsibility joyously.

3. To fill your life with uplifting, courageous acts.

4. To become a master at the work you choose.

5. To share with others the fruits of your work, for in helping others a richer life will be yours.

May you always hold dear in your memory the happy days spent in the Eskridge High School.
